# MIXED ANIMAL VETERINARIAN

## ABOUT US:

Lisbon Veterinary Clinic in Lisbon, Ohio is seeking an 8<sup>th</sup> veterinarian to join our family-oriented, bustling mixed-animal practice. We are a modern, practitioner-owned practice with a large support staff including 4 RVTs, IDEXX in-house lab equipment, digital radiography (in-house, dental, & portable), flexible endoscopy, power floats, several mobile ultrasound units (tendon & reproductive), cloud-based EzyVet practice management software, and so much more. Please feel free to look around our [website](#) to see what else we have to offer.

Our large animal practice sees a wide variety of species including: beef and dairy cattle, small ruminants, camelids, horses, pigs, deer, poultry, and waterfowl. We are also the official veterinarians for the [Columbiana County](#) and [Canfield](#) Fairs. The small animal practice sees primarily dogs and cats with the occasional rabbit or mini pig. As a practice we value high quality medicine, work-life balance, mentorship, and a collaborative work environment, while encouraging you to develop and grow your own area of interest.

We currently employ 3 small animal veterinarians, 2 farm animal/equine veterinarians, and 2 veterinarians who alternate between farm calls and small animal practice. The ideal candidate will have interest and experience in both large animal/equine and small animal practice. Full time veterinarians typically work 4-5 days per week, excluding on-call duties.

We limit our practice area to just over three counties in northeast Ohio. After hours emergency services are provided for regular, established clients. When necessary, equine and small animal emergency and referral facilities are within an hour of our practice.

## REQUIREMENTS:

- Eligible for licensure in Ohio. New grads welcome.
- Category II USDA Accreditation
- We are a Drug-Free Workplace

## WHAT WE ARE OFFERING:

- Salary is commensurate with experience.
- Well-stocked full-sized pickup with Bowie, business cell phone and laptop provided
- Mentoring is available for new grads.
- Evenly shared on-call with emergency bonus pay.
- Clinic scrubs and coveralls provided and laundered.
- A generous benefits package including:
  - 401K with employer match
  - Fully paid medical, dental and vision coverage
  - Paid new parent leave
  - At least 2 weeks PTO

- Annual continuing education stipend with 3 paid CE days
- Professional dues, license, and liability insurance coverage
- Pet care benefits
- Signing bonus and relocation stipend negotiable

## ABOUT THE AREA:

Lisbon is a village in Columbiana County, Ohio. We are a short drive from Pittsburgh, Cleveland, Akron, Youngstown, and their surrounding suburbs. Many opportunities for fine dining, entertainment, shopping, professional and semi-professional sports, and outdoor activities are within a short drive. Several local and state parks provide opportunities for hiking, biking, and riding as well as boating, kayaking, and dog parks. The area is also home to numerous farm markets and several award-winning wineries and breweries. The area has a great mixture of small town and suburban neighborhoods as well as scenic farm land with opportunities for rural living. Several well-ranked public and private schools and colleges are in the area as well.
